

Kansas Angus Association Sponsored • Commercial Angus & Angus-Influence - Female Sale

• Holton Livestock Exchange, Holton, KS - Friday, November 7, 6 pm

The Kansas Angus Association is proud to sponsor a Commercial Angus Female Sale this spring in Holton. We are in search of high quality, young age pairs, fall bred cows, bred heifers and open heifers to offer at this sale. If you are interested in consigning cattle to this sale, please complete the attached entry form and mail to the address shown at the bottom of the form. Using this form, an information handout will be compiled on all consignments which will be available to buyers on sale day and will be mailed on request. We will also be advertising the sale consignments in farm publications throughout the sale area on Angus internet emails. In order to advertise your consignments and compile and sale list handout and mailer, we ask that you return the **to the sale chairman** by the date specified or submit online at www.kansasangus.org. Consignments will be taken up to the day before the sale however the earlier we receive your entry form, the better we can generate interest in your cattle. **Consign by: October 30.** Consigners do not have to be KAA members and out-of state cattle welcome.

Consignment Criteria

The sale welcomes fall pairs, bred cows and heifers to calve in spring of 2015 and open heifers. To insure the quality of this special sale, we have made the following guidelines.

1. Females must meet Certified Angus Beef ® live specifications: be predominately black hided (black white faces and/or "baldies" are accepted).
2. Females must have typical beef-type conformation (no visible dairy influence); and be without long floppy ear and hump (no visible Brahman influence).
3. Maximum age—No older than 8 years-old. Minimum consignment of five head. Cattle may be mouthed. Cattle will be sorted by sale committee for sale order.
4. All females must be pregnancy checked (except open heifers) within 30 days of the sale. Pregnancy checking will be the responsibility of the consignor. An official health paper from the veterinarian must accompany cattle, complete with pregnancy check results within 30 days of the sale. **Cattle may be pregnancy checked at Holton by request only, and must be indicated on registration form;** regular sale barn fee will be charged for PT. Open females will sell guaranteed by the seller to be open.
5. **Calving dates** provided are guaranteed by seller, **open heifers** are guaranteed by seller and will be preg checked if there are concerns.
6. Cattle should be at the sale facility by 1 pm the day prior to sale if cattle are being preg checked by sale barn you should arrive by noon. Please contact chairman or hosting sale barn for specific arrival time deadlines.

Selling Fees

Holton: Cost will be regular sale barn fees & expense plus a 1% commission for the Kansas Angus Association to cover special sale advertising and promotion. There will also be a per head charge for "No Sale" animals, which will include sale barn no-sale charge plus \$5 to go the KAA. Contact sale chair or barn for specific sale barn fees.

Please complete entry online at www.kansasangus.org or use the attached form as you would like information to appear on the handout sheet that will be available at the sale and mailed upon request. Please note that it will be your responsibility as seller to make sure the information you report is accurate. The Kansas Angus Association provides this information as a service and is not liable for its accuracy.

COMPLETE THIS ENTRY FORM OR SUBMIT ONLINE AT WWW.KANSASANGUS.ORG

Instructions: PLEASE print or type. This information will be compiled and listed in special advertisements, in a sale day listing, Angus email advertising and will be supplied to potential buyers upon request. Entries will be listed on the American Angus Association AngusSourceSM website if the AngusSourceSM tags are used and information supplied.
